The O'Hare School of Irish Dance Come join the fun and learn more about this unique form of dance. TCRG Veronica Lilja will instruct your child in a nurturing and caring environment. Students are never required to compete, but are all given the opportunity! Visit www.ohareirishdance.com

Veronica began Irish dancing at the age of three and had tremendous competitive success at a young age. Under the instruction of Tim O'Hare, she competed at her first Regional Championship as a solo dancer at age 8, her first National Championship at age 9, and first World Championship at age 11. Veronica became a two-time Regional Champion and a two-time World medalist. At the age of 14, while continuing her competitive career, Veronica started teaching classes in Lake Bluff under the direction of Tim O'Hare. The program quickly grew with success and popularity. In 2011 and 2012, she was fortunate enough to perform with the Baltimore, Fort Worth, Knoxville, and Ottawa Symphonies in the show "Celtic Celebration". In 2013, Veronica was awarded the esteemed TCRG certification in Limerick, Ireland and brought the O'Hare School of Irish Dance to Lake Forest, IL. In 2017, she was asked back to perform a leading roll in "Celtic Celebration" with the Baltimore symphony.
