AGILITY THROUGH CRICKET BASICS I

Moving at a young age will help a child's athletic ability as she or he grows, no matter what sport she or he chooses to play. Those participating in this class will bolster basic motor skills as well as experience hitting, catching, throwing, running, stopping, balance, hand-eye coordination, all while having fun and being introduced to one of the world's most beloved games!

7796 **Ages: 5-7** **5:30-6:30 pm**

AGILITY THROUGH CRICKET BASICS II

Continuing to build on agility skills, participants will spend time practicing hand-eye coordination, throwing, catching, running, hitting, stopping and balance whilst participating in a modified game of cricket. Areas of focus also include teamwork, cooperation, communication, fair play, and, as always, having fun!

7797 **Ages: 8-10** **6:30-7:30 pm**
